KÖNIG A12
+
WITH MILK COOLER

GREAT COFFEE FROM A COMPACT DESIGN

The A12 is the ideal coffee machine for small and medium sized places.

KEY FEATURES:

- A 7" touch panel is easy to use, direct and efficient.
- The Patented brewing system will deliver both regular coffee and pressurised espresso
- Ceramic grinders Blades and 16 g brewing system deliver some of the best coffee extraction available
- The milk frothing system makes very fine foam and can be adjusted to your needs
- Easy cleaning with an auto-clean programme
- Infrared level-monitoring system warns when grounds container is full and stops machine operation
- Easy to use touch screen
- One touch allows access to 24 options or customise your own!
- The A12 is small in size but big in flavour
- The compact size and elegant looks, is ideally suitable for offices, meeting rooms, receptions etc.
